2019 Youth On Water & Women On Water

Youth On Water empowers youth in our watershed through a river guide training program that increases river skills, knowledge and connection to the rivers of our watershed for the Skeena's next generation of community leaders. YOW nurtures a personal connection alongside the development of valuable river safety, technical and decision-making skills that will last a lifetime... and its Fun!

Women On Water is a unique ladies only program with all female participants and guides ranging from young women to matriarchs. WOW is offered in the communities of Terrace and Hazelton. WOW fosters a restorative process for women of all ages, increasing understanding about the watershed and developing confidence on the water.
